NU MOVES DANCE STUDIOS

HAUNTED

WELCOME

Welcome, and thank you for coming to support our dancers in this year's halloween show...**HAUNTED**

Today is a celebration of the hard work, commitment and enthusiasm that our dancers bring to the studio every week. Every performance you are about to see represents hours of learning, practising, growing in confidence and, most importantly, sharing a love of dance.

We are incredibly proud of every single dancer taking to the floor. Whether this is their very first performance or they are already a seasoned performer, each and every one has worked so hard to reach this moment. Stepping up to dance in front of an audience takes courage, determination and confidence, and we hope they enjoy every second of it!

We are so excited to share this spooktacular occasion with you, and we hope you enjoy watching the dancers shine as much as we have enjoyed preparing for this show.

So settle in, prepare to be spellbound, and let the magic begin...

With love and thanks,
Joanne

INTRODUCING EXAMS

NU MOVES DANCE STUDIOS

HAUNTED

We are super excited to be introducing dance exams to Nu Moves!

Exams are about so much more than a mark.

They give our dancers the opportunity to celebrate their progress, build confidence, develop performance skills and feel proud of everything they have achieved in class.

Working towards an exam also helps dancers develop valuable skills including:

- **Confidence and independence**
- **Focus and commitment**
- **Goal setting**
- **Resilience and perseverance**
- **Performance skills**
- **Pride in their own progress**

Exam work forms part of our dancers' regular training, so students build their knowledge and confidence gradually in class.

MORE INFORMATION COMING SOON!
