July brought so much fun!

Performance Opportunities!

We love providing our students with exciting opportunities to perform within the local community.

After recently visiting **Kirk Lane Nursing Home** to perform and bring smiles to residents, we now look forward to our next event, **Spark in the Park**, where our students will have another chance to showcase their skills and confidence!

Congratulations to **Harper**, our Student of the Month for **July 2026**! Although our classes are closed for summer, **Harper** took part during our holiday camps and really stood out at our Circus workshop! Well done, **Harper**! 🎉

HALLOWEEN SHOW 2026

It's time for our first-ever Halloween show, **HAUNTED**, taking place on **Sunday, 1 November** with registration opening on **17 August**.
